

*New Direction Treatment Services is
owned and operated by:*

Donna Butler, LICDC, LSW

Donna has over 22 years experience working in the field of addiction. She has worked in public and private agencies. She has worked with both clients and their families in residential and outpatient settings. Working with chemically dependent women has always been a major focus of her practice. She has worked in direct service as well as administration.

Donna and her staff are dedicated to looking for innovative ways to effectively treat alcoholic and addicts.
